

§ 54.1015

7 CFR Ch. I (1–15 Edition)

§ 54.1015 Official reports, forms, and certificates.

(a) *Report.* The design review specialist shall prepare, sign, and issue a narrative report covering the observations, comments and recommendations based on the evaluation for conformance with standards of equipment and utensils as provided for in § 54.1005 and indicate the fees and other charges incurred for the services rendered.

(b) *Forms.* Form DA-161 is the official certificate for equipment or utensils evaluated and is accepted under the regulations. Issuance of this certificate is optional at the request of the applicant.

(c) *Distribution.* The original report and official certificate (if requested) shall be delivered or mailed to the applicant or other persons designated by the applicant. Other copies shall be forwarded as required by agency, program, and branch instructions. Additional copies will be furnished to any person financially interested in the equipment or utensil involved with the concurrence of the applicant and upon payment of fees, as provided in § 54.1028 and § 54.1029.

§ 54.1016 Advance information concerning service rendered.

Upon request of any applicant, all or any part of the contents of any report issued to the applicant under the regulations, or other notification concerning the determination of compliance of equipment or utensils for such applicant may be transmitted by facsimile transmission to the applicant, or to any person designated by the applicant at the applicant's expense.

§ 54.1017 Authority to use official identification.

The Chief may authorize an applicant or any persons designated by the appli-

cant to use the official identification symbol to mark equipment or utensils, or for display in descriptive or promotional materials providing the equipment or utensils is evaluated pursuant to this subpart and found to be in compliance.

§ 54.1018 Form of official identification and approval for use.

(a) The official identification symbol approved for use on equipment, utensils, or descriptive or promotional materials shall appear in the form and design shown in Figure 1.

(b) The official identification symbol on equipment or utensils shall be displayed by etching or the placement of a non-removable sticker located in close proximity to the equipment identification plate.

(c) The official identification symbol is recommended to be at least 3/4 inch by 3/4 inch in size. Symbols which are smaller in size will be considered provided they are sufficiently large to be identifiable and legible.

(d) The official identification symbol shall not be used in descriptive and promotional materials without prior approval by the Chief. The official identification symbol, if used, on the descriptive or promotional materials shall be printed as part of the text or format.

(e) An applicant shall submit to the Chief of the Dairy Grading Branch, Dairy Programs, Agricultural Marketing Service, U.S. Department of Agriculture, P.O. Box 96456, Washington, D.C. 20090-6456, an application, if one is not on file, requesting approval to use the official identification symbol on officially accepted equipment and in descriptive or promotional materials.

§54.1019 Renewal of acceptance certification.

The manufacturer of any equipment or utensil which has been issued a report or certification stating acceptance of compliance shall resubmit the design and fabrication details of any change in materials of construction, design, or fabrication which may impair the cleanability or hygienic design of the equipment or utensil. If no change in materials of construction, design, or fabrication which may im-

pair the cleanability or hygienic design of the equipment or utensil has occurred during the period of four years after the date of the most recent report stating acceptance of compliance or if no design or fabrication changes have been made, the applicant may submit a certificate of conformance signed by the chief engineering officer and the chief executive officer of the company stating that no design changes have been made to the specified equipment or utensil.
